6. Abstract:

EDUCATORS, PARENTS, PSYCHOLOGISTS, CHILD ADVOCATES.....THIS IS A MUST READ THAT WILL MOTIVATE AND INSPIRE YOU ...

FOR THE LOVE of CHILDREN....FOR THE LOVE of TEACHING...here is the way one teacher keeps the joy of learning alive...

Embark on a journey through 33 years of adventures in teaching. Learn how YOU can create a positive environment of nonstop discovery and learning. Share creative techniques of a master who inspires everyone who walks into her classroom. Read first hand stories of children whose self-esteem blossomed while building a foundation for lifetime achievement. Find the magic of working together to create exciting classrooms where learning and fun are one. This book will give you the specifics to MAKE A DIFFERENCE, every day, in children's lives as well as your own! Her enthusiasm is contagious. You will go home each day excited about the possibilities the next day may bring. With passion, joy and love, Gail Small has made an impact on the lives of her students, parents and the world.
